# ROSTER MANAGER APP FEATURES

Planning routes for hundreds of employees, adjusting trip schedules for holidays, or keeping transportation costs low isn't easy. That's why we're here to help!

## MANAGE FLEETS

Add and monitor all corporate fleets. Get access to real-time fleet location & fleet performance metrics.

## MANAGE EMPLOYEES

Maintain essential employee information like name, gender, mobile no. roster details, and more digitally.

## MANAGE TRIPS

Managers can track all ongoing trips. They're aware of missed, visited, unwanted and total stops.

## MANAGE DRIVERS

See where your drivers are, what they are doing, & how well they are driving at any given time.

## OPTIMIZE ROUTES

Define routes that are cost-effective, fast, and economical. Access optimized routes every day!

# ROSTER EMPLOYEE APP FEATURES

We have a distinct mobile app for employees, so they never waste their mornings waiting for their ride!

**1.**  
Create a personal account on the app using your mobile phone.

**2.**  
Track your ride's location in real-time.

**3.**  
Review approved routes, stops, & timings.

**4.**  
Adjust when you'd like to get notified about an approaching vehicle.

**5.**  
SMS alerts for delayed or change in vehicle.

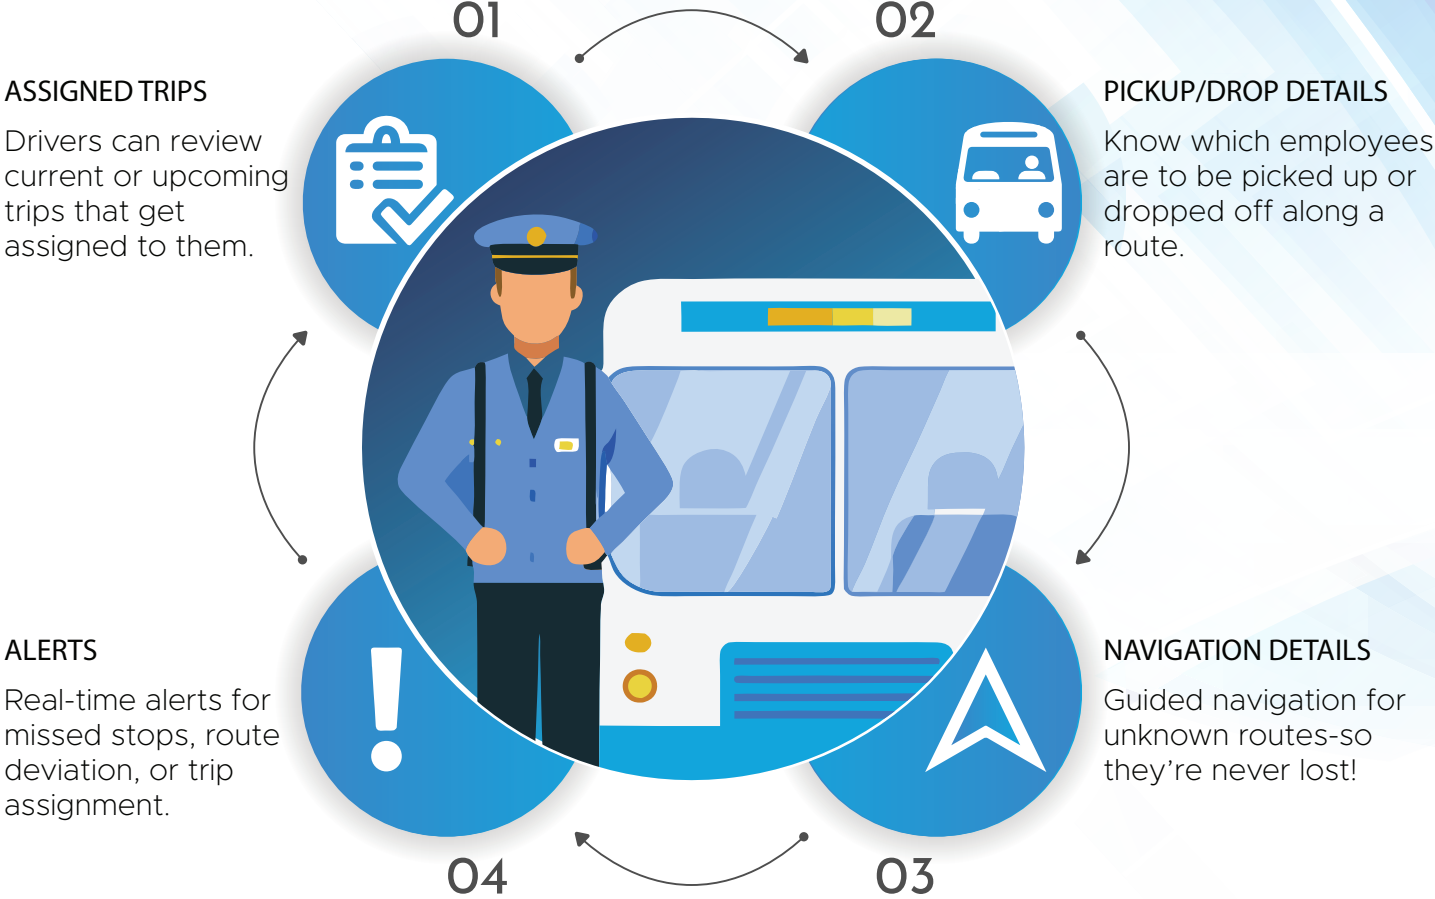

**6.**  
SOS button for emergencies.

# ROSTER DRIVER APP FEATURES

Taking care of your drivers is quintessential to smooth employee transfers.

Here's how you can make it easy for your drivers:

## EXCEPTIONAL SERVICEABILITY

**Powerful Intergrations**  
Expand the system's functionality by intergrating 3rd party software systems or ERPS.

**Expenses**  
Break down operational costs and see how each penny gets spent.

**Reports & Charts**  
Exhaustive reports that keep you updated with drivers, trips, and vehicular data at all times!
